STEPHEN MINISTRY

STEPHEN MINISTRY.....Being a good listener, is very important, in any relationship. It helps to understand, what a person is about. If you give your undivided attention, it's easier, to figure them out. We all need someone, we can relate to. Not to be afraid, to say what's on our mind. In a matter of speaking, is there a better way, to unwind? We all have times, we need to talk about our troubles. Be assured, we're doing things right. Getting a second opinion, gives you better insight. Try to be a good listener. One day, the tables can turn. Should that ever happen, you'll get the same consideration, in return! - by **Audrey Heller**
