

Hello all,

In an attempt to stay connected during these unpredictable times, we are implementing a plan for church community connection. Follow along each day online as Pastor David and the greater church community share their message in this Lenten season.

We will be posting each day on our:

TUESDAYS

Finally, for our congregants that do not have access to the internet, Pastor David is working diligently to call them and deliver written transcripts so they too can remain connected to their church community.

This is the plan – we are looking forward to connecting with you. Remember as you follow along to **like, comment, and share** to spread God’s word and we can watch our connection.

Please send prayer requests - these can be sent to us directly from the website - left side bar REQUEST PRAYER or email pastor_david@cumc-indy.net

Keep in touch with each other. If members need access to our online church directory, please email Carol carol@cumc-indy.net

God is with us!
